# MAAN VIMAL

**AI Creative Producer | AI Video Producer | Generative Media**

Lucknow, India | +91 7571846809 | maanvimal5@gmail.com
LinkedIn | Portfolio

## Summary

AI-native creative producer who turns concepts and briefs into finished short-form and cinematic video through generative AI, creative direction, shot design and editing. Builds repeatable production workflows that hold visual consistency across scenes. Produced 30+ AI short-form videos and 15+ cinematic story videos, with 10K+ total views.

## Experience

**Founder & AI Creative Producer — Majestic Tails** 2025–Present
*AI-powered digital pet portrait brand*

- Built the brand from concept to production, directing visual identity and the end-to-end AI creative workflow.
- Produced 30+ AI-generated short-form videos through repeatable image, video and editing workflows.
- Developed hook-driven visual concepts built on audience recognition, emotional payoff and shareability.
- Designed reusable prompting systems that keep visual quality consistent across high-volume creative output.

## Selected AI Creative Work

**Midnight-Ryu — AI Commercial Campaign**
*AI-generated luxury fragrance commercial*

- Developed the concept and creative direction for a luxury fragrance commercial, from product storytelling to final cut.
- Generated product, environment and character visuals, then designed shots with continuity across the sequence.
- Produced the commercial with generative video, editing and post-production.

**Mythos Unveiled — AI Storytelling** 15+ videos | 2K+ subscribers | 10K+ views
*Veo, Seedance, Midjourney, Gemini, ChatGPT*

- Built a multi-model AI video pipeline spanning visual development, structured prompting, generation and post-production.
- Maintained character and world continuity across multi-shot cinematic stories through iterative refinement.
- Produced 15+ story videos, reaching 2K+ subscribers and 10K+ total views.
